FIU students thank the Early Learning Coalition and The Children's Trust for supporting their education - 12 Credits in Early Childhood Education

También queremos agradecer a **Quality Counts Career Center** y a nuestras consejeras en cada escuela, por su apoyo y consejo incondicional y a nuestras profesoras Carmen Medrano, Silvia De Armas y Yolanda Borroto por todos los conocimientos transmitidos, por su dedicación y paciencia, por traducir las presentaciones al español, por compartir sus experiencias con nosotras y, por valorar y respetar nuestras propias experiencias.

Hemos crecido como maestras, pero aun mas como profesionales integralmente, no solo recibimos conocimientos para nuestro diario deber como profesoras, sino también técnicas de presentación, como preparar nuestros trabajos, la importancia de aprender el idioma, tormentas de ideas, lo útil de un porfolio, como tratar con los padres, hacer visible el pensamiento de los niños, la importancia de la lecto-escritura emergente y muchas cosas mas que seria imposible nombrar en unas pocas líneas, pero por sobretodo que el aprendizaje debe ser útil para nuestros niños y que ellos son el motor y eje de nuestras clases.

Han dejado en nosotras una semilla que esperamos cultivar y ver crecer en cada niño que esté en nuestras aulas.
