

# Early Learning Florida

University of Florida Lastinger Center for Learning

# Professional Development Study

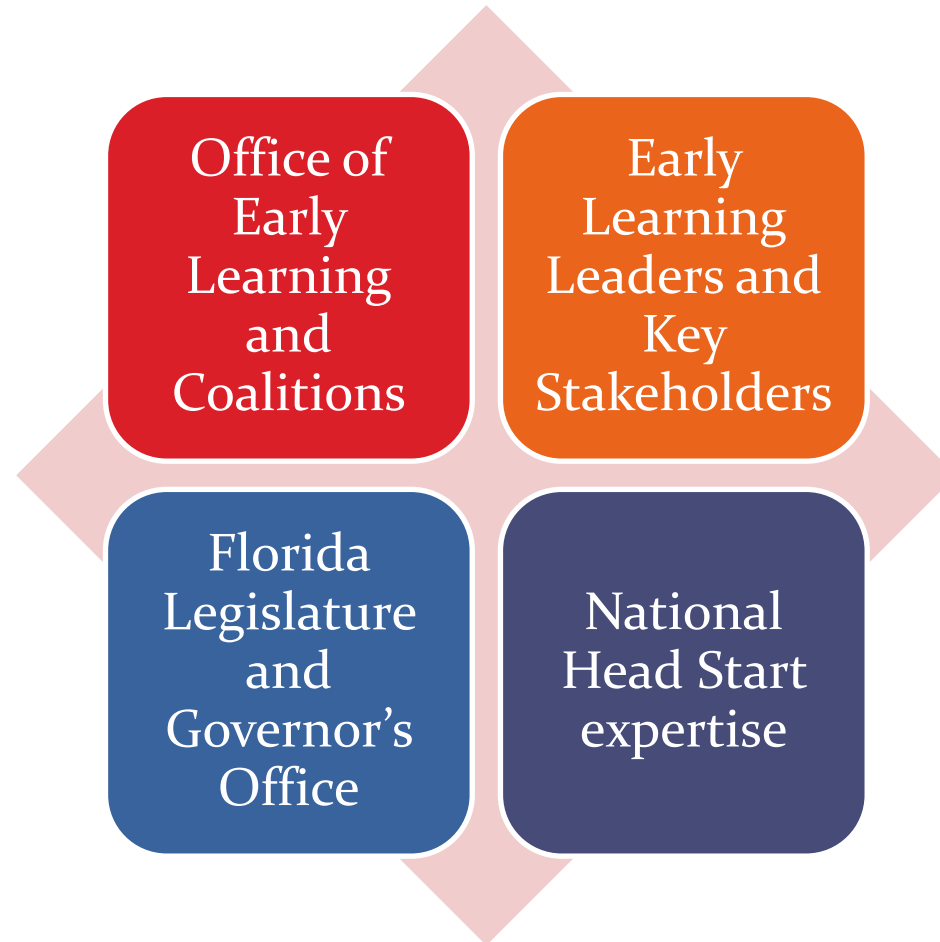

# Our Plan: Early Learning Florida

# Early Learning Florida Partnerships

Building in partnership with:

# Course Design

- Competency-based
  - CLASS
  - Early Learning and Development Standards
  - Core Competencies
  - Head Start Performance Standards and Child and Family Framework
- Mastery-based
  - Courses designed to improve direct practice in measurable ways

# Course Implementation Models

- A purely *online* experience
- A *blended model* that will be available in partnership with trained, local facilitators
- A *certified technical assistance model* in partnership with a certified TA provider

# Incentive Model Based on Mastery

- Practitioner
- Community-based partners
  - Instructor for online only
  - Instructor/Facilitator: 2 COP meetings with cohort
  - Instructor/Certified TA provider: 2 on-site visits/participant
- System management and ongoing course development
