| <input type="checkbox"/> Important Deadline | <input type="checkbox"/> Compliance with State Requirement |
| <input checked="" type="checkbox"/> Free Resource(s) | <input type="checkbox"/> Professional Development Opportunity |
| <input type="checkbox"/> School Readiness, VPK or other Contract Compliance | <input checked="" type="checkbox"/> Informational |

This information session is **free** and open to the public, early education providers and families. To register, visit trainings.elcmdm.org

The Professional Development Institute, a division of the Early Learning Coalition of Miami-Dade/Monroe, in collaboration with The Healthy Start Coalition of Miami-Dade (HSCMD) will be hosting

ZIKA

Information Sessions

In this one hour session, the following information will be reviewed:

- What is the Zika Virus?
- Symptoms
- Transmission
- Zika & Pregnancy
- Prevention
- Current Status
- Resources

This information session is for individuals and child care providers who work with pregnant women and small children in our community and who would like to be informed about this health crisis.

We hope this session will provide useful information that you can share with pregnant women and families to better educate them about the Zika Virus and ensure they remain healthy.

Join Us!

Registration via the PDI training website is required.

For information on training dates, times, and locations please visit the Professional Development Institute at trainings.elcmdm.org.
