Dear Early Head Start Provider,

This is a reminder that the 45-day screenings were due on September 14, 2016 for the children who started on August 1, 2016. Teachers must complete the ASQ-3 and the ASQ:SE-2 on or before September 14, 2016. As children enter your centers throughout the year, teachers will need to complete the ASQ-3 and ASQ:SE-2 within 45 days of the child's first day of attendance.

Please see the [chart](#) designed to help teachers identify the screening due date. For example, you can see from the table that a child who

started school on August 18, 2016 will need to have the screenings completed by October 1, 2016.

Reference: Head Start Performance Standard 1304.20(b)

Please see [the attached chart](#) with 2016-2017 screening dates.
