Reminder

If your VPK program began on August 22, 2016, your Assessment Period 1 assessments must be administered by September 21, 2016.

Dear VPK Providers:

This is a reminder that the requirements for VPK assessment administration and submission have changed. This change was effective July 28, 2016 and the information on the change was included in the Early Learning Coalition's July provider newsletter.

Information on the revised rule is available at:

<https://www.flrules.org/gateway/RuleNo.asp?title=Office of Early Learning - Voluntary Prekindergarten Education Program&ID=6M-8.620>

The revised rule eliminated the "Traditional" and "Non-Traditional" calendars. New requirements are as follows:

Administration (Conducting the child assessment)

- Assessment Period 1 - **first thirty (30) calendar days** of the beginning of the VPK class schedule
- Assessment Period 2* - mid-program year
- Assessment Period 3 - **last thirty (30) calendar days** before the ending of the VPK class schedule

Data Submission (Entering children's scores into Bright Beginnings)

- Assessment Period 1 - **within forty-five (45) calendar days** of the first day of the VPK class schedule
- Assessment Period 2* - mid-program year
- Assessment Period 3 - **no later than fifteen (15) calendar days** after the last day of the VPK class schedule

***Providers on Probation who have chosen the Department of Education approved Staff Development Plan are also required to administer and submit data for Assessment Period 2.** Providers who are not on probation are not required to administer Assessment Period 2, however it is strongly recommended.
