Compliance with State Requirement

Professional Development Opportunity

Informational

Dear Early Education Partner,

This is a reminder of the Miami Dade College timeline shared during the October provider meeting. If you have Early Head Start teachers who would like to enroll in spring classes, but have not applied to Miami Dade College online, they must submit their application no later than **October 28, 2016**.

The following documents are attached to assist with this process:

- [Miami Dade College Spring Semester Flyer \(includes application instructions\)](#)

- [Miami Dade College Timeline for the Spring Semester](#)
- [Miami Dade College Proof of Residency List](#)

Also, we would like to schedule the CDA - ESL course at a time that is convenient for a majority of the Spanish-speaking students. Please share the link below with your teachers who are taking Spanish CDA courses. They will have until **October 28, 2016** to make a selection for the day(s) that are most convenient. Once a decision is made, you will be notified of the date and time of the ESL course.

Thank you!
