TRAILBLAZING WOMEN EDITION

The Early Learning Coalition of Miami-Dade/Monroe invites you to join us as we celebrate National Women's History Month. The 2017 theme for National Women's History Month honors women who have successfully challenged the role of women in both business and the paid labor force. Women have always worked, but often their work has been undervalued and unpaid. (National Women's History Project). The ELC March Café panelists represent many diverse backgrounds and work. Their collective influence spans more than four decades.
