President's Message

Dear Friends:

We thank you for your participation in the Children First Conference, "Early Education. Lifelong Success." Dynamic early education workshops, panels, and presenters; the support of the early education community; and the enthusiasm of early education providers and teachers made this conference a success. We look forward to seeing you at next year's conference which will be scheduled for September 8-9, 2017; "Healthy Families. Healthy Communities."

This month, we prepare for [Read for the Record](#), Jumpstart's national campaign to get families, schools and children reading across America. In partnership with the Miami-Dade Public Library System, we will host readings at participating libraries: Miami Springs Branch, West Flagler Branch, Sunset Branch, Hispanic Branch and Miami Beach Regional Library. We invite you to join us at your closest participating library. Early care and education programs throughout Miami-Dade and Monroe Counties will also participate.

This month, the Early Learning Coalition celebrated Hispanic Heritage Month through our monthly ELC Café Series: It's More than

Just Lunch. We are grateful for the participation of a range of attendees from the business community, staff, early education care and education providers and more. Lakeshore Learning Materials sponsored lunch to kick-off the second year of cafés. Please join us on November 17, 2016 for our next café which will discuss "Re-imagining Thanksgiving".

On November 18-20, the Early Learning Coalition will participate in the Miami Book Fair. We invite you to join us at our Tot Lot which will feature interactive activities and impromptu readings. We will also staff our booth and share information regarding early education programs, our new initiative, "Talking is Teaching: Talk, Read, Sing" and books to encourage reading. We invite your early education center to visit our Miami Book Fair booth and activity tent.

As always, we thank you for your continued partnership.

Please follow us on [Facebook](#) and [Twitter](#) for up-to-date information on programs and events.

Sincerely,

Evelio C. Torres
President & CEO

Teacher of the Month

As a part of our continuous commitment to quality early learning programs, we would like to highlight the Quality Counts Teacher of the Month. Working in conjunction with our program partners, Florida International University, the United Way, Family Central and Children's Forum, we highlight instructors who have been recognized for applying excellence in the classroom. This month, we recognize **Delneatria "Paige" Whitehead** from **Excel Kids Academy**. She has more than 2 years of experience in early education. Congratulations Delneatria "Paige" Whitehead.

Ms. Whitehead has excelled in creating an enthusiastic and nurturing learning environment for her students by providing them with opportunities throughout the day to share and voice their ideas and thoughts in the classroom. She doesn't believe in telling her kids to "be quiet." Instead, she creates opportunities for them to engage in conversations and share them during "community time". She is continuously seeking ways to ensure her students are actively engaged and feels most successful when parents communicate that children are sharing their experiences at school with them at home. Ms. Whitehead, inspired by her students' love of learning, is extremely motivated to continue her own education demonstrating that she is a lifelong learner. On September 13th, as she stood before the board of The Children's Trust, she spoke about always striving to do her best. She is extremely grateful for the opportunity to pursue her degree in early childhood education and stated, "I am pursuing my dreams." Ms. Whitehead is always encouraging her co-workers to "be their best and continue growing."

Quality Counts would like to recognize and thank Ms. Whitehead for her commitment to quality early childhood education!
